

Hi Rachel. This is Joy Tucker from school. I'll be happy to locate a copy for you. In the meantime though, to help alleviate some things, I did speak with um, it was either Mr. Johnson or Mr. Rubin today. I can't remember which. But they had mentioned that they had a girl trying out for the team and that I was under the impression that it wasn't going to matter. Where we get into trouble is when we have boys trying out for the girl's team. So, um, I will make sure that someone gets a hold of you, sooner than later, either with answers and or rules. Um, but just so you know, I was under the impression that it was not going to be an issue that she was a girl playing on the boy's team. So, let's see, if you have further questions tonight you can go ahead and call my cell. It's [edited out for matters of privacy]. So you know, um, I get horrible service in my office and so often times it doesn't ring and it goes to voicemail, but I'll check it later and try to get back to you if you need to talk to me tonight. Otherwise, I'll try to catch up with you again tomorrow. Have a good evening. Thanks. Bye.
