Hi Mary,

Sorry I didn't get back to you sooner. I normally don't return calls or emails until late in the afternoon. I have listed below the results of where I am on the requests:

- I have requested a copy of the bylaws from our Athletic Director (A.D.) he is going to get them for me and when I get the copy I will get in contact with you.
- The minutes from the A.D. meeting have not been typed yet. Once the secretary has them finished and they are sent to the Athletic directors I will get a copy sent to you.
- I have spoken with our Interim Superintendent and we will go with the decision of the league
 - If you need to speak with him you may contact the district office. [REDACTED]. He does not keep a "regular" schedule, but you can leave a message.
- I also know that Pacheco's A.D. Mr. Rubin is checking in to a special meeting for you.

I hope this helps to start to answer some of your questions. Have a nice evening.

Joy Tucker

Subject: Regarding Rachel Jones

Dear Ms. Tucker,

I was wondering if you've had any luck getting the Shasta Valley League baseball bylaws yet? Also wanted to know if I'm able to the notes on the decision made at the meeting regarding Rachel? Lastly, I was wondering if you knew anything about a possible appeal process I could go through with the Athletic Directors and who I might contact regarding that process.

Thanks so much for your help.
