Dear Mrs. Ruggles,

On March 2, 2009 the Shasta Valley League held a meeting and was petitioned by Pacheco to please allow your daughter Rachel Jones to be able to play on the boy's baseball team. There was a vote and it was decided that your daughter Rachel Jones would not be able to participate on Pacheco's Boys Baseball team. I know this is not the decision you were hoping for. I am sorry that this has lead to disappointment for Rachel.

Pacheco School is going to abide by the league's ruling. I acknowledge that you are hoping the league changes its mind. However at this time, I regret to inform you that as of Friday March 6, 2009, Rachel will not be able to practice or play on Pacheco's baseball team.

Sincerely,

Joy Tucker, Principal
